

POWAY UNIFIED SCHOOL DISTRICT

Mesa Verde Middle School 2025-2026 Bike/Scooter/eBike Application

Mesa Verde Middle School will be issuing parking permits for all bikes/scooters/eBike for the 25-26 school year. The purpose of these parking permits are to ensure that students choosing to use an alternate mode of transportation to school are aware of the regulations regarding Alternative Vehicles from the City of San Diego. Please review the rules below with your student.

- Riders must wear a safety helmet with the safety strap buckled securely beneath the chin.
- Passengers are only permitted to ride bikes with a factory-installed passenger seat and must wear a properly secured bike helmet.
- Bicycles must be walked when on school grounds. Students must dismount their bike before entering the parking lot and walk their bike on the sidewalk.
- Bicycles must be parked in the designated areas, must have a 25-26 issued bike tag, and a lock. There is a skateboard rack on campus that also requires a permit and the use of a lock. ****The school assumes no responsibility for the bicycle or its accessories.**
- Under the law, a bicycle is regarded as a vehicle and as such, the ride must obey all the traffic laws that apply to any vehicle. (e.g. riding on the right side of the road, using hand signals, walking the bike in crosswalks, etc.)
- **Class 3 eBikes are not permitted, as California law requires that riders be at least 16 years of age.** Any bike *without* pedals that can travel up to 30 mph are considered mopeds and are prohibited.
- These rules apply on campus, on the way to school, and on the way home from school.

Consequences for bike permit violations are the following:

- **1st Offense:** Warning, review of requirements with administration and parent contact
- **2nd Offense:** Student Conference, parent contact and written reflection.
- **3rd Offense:** Student / Parent conference, possible law enforcement contact.
- **4th Offense:** Student / Parent conference with possible loss of parking privileges.

NOTE: The privilege of parking a bike/scooter/eBike may be suspended or revoked by administration if a student does not obey the above, or other reasonable safety rules and regulations.

If your child wishes to park a bike, scooter, or eBike on campus during the 2025–2026 school year, please print and complete the application on page 2. A parent or guardian **must** accompany the student to the front office to submit the completed application. **Applications submitted without a parent or guardian present will not be accepted.** At that time, both the student and parent/guardian will meet with an administrative designee to review the rules and regulations. Upon approval, a parking permit sticker will be issued for the school year.

Please note: Parking permits from prior school years are no longer valid. All students must apply for a new permit for the 2025–2026 school year.
