

COMMUNITY ENGAGEMENT SURVEY

Kearsarge Regional School District is seeking feedback from families, staff, and community members as the district continues conversations about school facilities, future school configuration, and educational opportunities across the district. To support this effort, the district has partnered with Hanover Research, an independent research firm, to administer a **Community Engagement Survey**. The survey will explore stakeholder perceptions of school quality, educational opportunities, student experiences, school and community identity, district communication, and potential future school configuration considerations. Findings will help district leaders better understand community priorities, identify areas of consensus and concern, and inform future planning and decision-making.

SURVEY INFORMATION

What is the purpose of the survey?

The survey will gather feedback on:

- Educational quality and student experiences
- Community priorities and values
- Future school configuration considerations

How can I offer my feedback?

Complete the online **Community Engagement Survey**. The survey is open to:

- Parents and caregivers
- District staff
- Community members

Scan the QR code or use the survey link below to participate.

When will the survey be open?

August 31 - September 12, 2026.

Please complete the survey before it closes to ensure your voice is included.

We need YOUR help!

SHARE YOUR VOICE!

PARTICIPATE NOW!

The district is committed to meaningful stakeholder engagement and recognizes that community voice is critical to future decisions. Whether you are a parent, staff member, or community resident, your perspective will help shape future conversations about educational opportunities, school facilities, and district priorities.
